- 5) Have you worked as an intern in the industry? Yes / No (Circle answer)  
If yes, please provide the name, city and state of the company:

### Required Letter of Interest

---

Using the attached form, please explain what attracts you to the public power electric utility industry and why you want to attend the Student Program at the 2009 NWPPA E&O.

### Required Recommendation:

---

Using the attached form, provide one recommendation from a teacher, instructor or professor attesting to your potential for a career in the public power electric utility industry and to your abilities as a student.

### Attestation and Agreement:

---

- 1) I will conduct myself as a professional while attending the 2009 NWPPA E&O Conference and Tradeshow. All information provided in my application is accurate and true. I agree to abide to all instructions of NWPPA and the E&O Student Program committee.
- 2) In the event I do not comply with the guidelines of the Student Program or it has been determined that false statements were made in my application I understand that all expenses for attending the 2009 NWPPA E&O will not be reimbursed and I will be responsible for any expenses incurred. Further, I will reimburse NWPPA for any expenses it has incurred on my behalf, including but not limited to travel, hotel and meal expenses.
- 3) I agree to plan, prepare and deliver a 300 word presentation to a class, club or other group on the opportunities for employment within the public power electric utility industry. I will email a copy of my delivered presentation by May 15, 2009 to Scott Lowry at SLOWRY@NWPPA.ORG.
